

GTAC RFP Questions & Answers

Q 1. Does the proposed GTAC need to cover a specific geographic area? For example, would OMH consider a proposal for a GTAC that covered on particular borough of New York City?

A 1. The Geriatric Technical Assistance Center will provide technical assistance and training either virtually or on site for all Geriatric Service Demonstration project grantees statewide.

Q 2. Once the RFP is awarded and the four years of funding have past, is the awarded agency eligible to renew the contract for additional funding for four more years? If so, is the funding going to remain \$200,000?

A 2. The contract will be awarded to one eligible applicant for a total period of four (4) years.

Q 3. Can the funding be used to hire staff like an agency home health aide or nurse?

A 3. The GTAC will be responsible for training and technical assistance focused on programmatic and fiscal strategies to support the planning, implementation, operation, and evaluation of Round 5 of the Geriatric Service demonstration program. The GTAC will provide assistance, support and training on program development, identification of best practices for effective services¹ to older adults with behavioral health and aging service needs, and program evaluation.
