MEMORANDUM

To: Mainstream Medicaid Managed Care Plans, Health and Recovery Plans (HARPs), HIV Special Needs Plans (HIV SNPs), and Medicaid Advantage Plus (MAP) Plans

From: New York State Office of Mental Health (OMH)

Date: June 8, 2023

Subject: July 1, 2022 Rate Updates: Partial Hospitalization and Continuing Day Treatment Programs

Dear Health Plan Administrators,

Effective July 1, 2022, the Office of Mental Health (OMH) Partial Hospitalization and Continuing Day Treatment rates, have been increased consistent with the 2022-23 Enacted State Budget and will be reflected in premiums upon State and Federal approvals. This letter is being sent to alert Mainstream Plans, HARPs, HIV-SNPs, and MAP Plans¹, herein collectively referred to as “MMCPs” in this notification, of the adjustments to ensure compliance with the statutorily required payment of government rates.

Please refer to the OMH [Medicaid Reimbursement Rates](#) page for the services below with rate updates:

- Non-State Operated Continuing Day Treatment (CDT)
- Partial Hospitalization (PH)

Per Chapter 57 of the Laws of 2019, MMCPs are required to pay claims based on the effective date of the rate changes. As a result, MMCPs must complete necessary systems edits to ensure payable claims for dates of service July 1, 2022, and thereafter, are reimbursed at the newly effective rates. Additionally, MMCPs are required to conduct retrospective reconciliation to adjust payment for clean claims as necessary by September 6, 2023. **MMCPs must complete the enclosed attestation confirming rate adjustments and system updates have been completed within 5 business days after September 6, 2023.** If rate adjustments are not completed by the specified date, the State will take regulatory action.

Please note that this document is only being transmitted electronically. No hard copy will be forthcoming. **Please have one representative from your MMCP send an email confirming receipt of the memorandum to BHO@omh.ny.gov within 48hrs.**

If you have any questions regarding these changes or completion of this attestation, please contact OMH Managed Care at 518-402-2822 or BHO@omh.ny.gov.

¹ The rate requirement is effective for MAP Plans starting on 1/1/2023 when these services became covered benefits for MAP.
