PSYCKES

Readmission Post Discharge from this Hospital

Description:

The percentage of Medicaid enrollees/members of all ages identified as having had a hospitalization at the specific hospital being reviewed in PSYCKES (“this hospital”) who had one or more re-hospitalizations to any hospital within 30 days following discharge, in the past 13 months. The specific service settings of the index hospitalization and the readmission hospitalization are broken down into separate sub- indicators, described below.

Readmission	Denominator	Numerator
Readmission (30d) from this Hosp: MH to MH	Individuals discharged from this hospital’s inpatient unit for mental health cause	Individuals readmitted within 30 days to any hospital’s inpatient unit for mental health cause
Readmission (30d) from this Hosp: BH to BH	Individuals discharged from this hospital’s inpatient unit for behavioral health cause (mental health or substance use)	Individuals readmitted within 30 days to any hospital’s inpatient unit for behavioral health cause (mental health or substance use)
Readmission (30d) from this Hosp: Medical to Medical	Individuals discharged from this hospital’s inpatient unit for medical cause	Individuals readmitted within 30 days to any hospital’s inpatient unit for medical cause
Readmission (30d) from this Hosp: Medical to All Cause	Individuals discharged from this hospital’s inpatient unit for medical cause	Individuals readmitted within 30 days to any hospital’s inpatient unit for all cause (MH, BH, or Medical)
Readmission (30d) from this Hosp: MH to All Cause	Individuals discharged from this hospital’s inpatient unit for mental health cause	Individuals readmitted within 30 days to any hospital’s inpatient unit for all cause (MH, BH, or Medical)
Readmission (30d) from this Hosp: BH to All Cause	Individuals discharged from this hospital’s inpatient unit for behavioral health cause (mental health or substance use)	Individuals readmitted within 30 days to any hospital’s inpatient unit for all cause (MH, BH, or Medical)
Readmission (30d) from this Hosp: All Cause to All Cause Summary	Individuals discharged from this hospital’s inpatient unit for all cause (MH, BH, or Medical)	Individuals readmitted within 30 days to any hospital’s inpatient unit for all cause (MH, BH, or Medical)

Eligible Population:

- Age: All Ages
- Inclusion Criteria: Medicaid enrollee/member who was discharged from inpatient services of the specified New York State inpatient provider in the past 13 months.
- Exclusion Criteria: Clients transferred to another inpatient setting and not discharged to the community on the last record of the hospitalization.

Definitions:

Behavioral Health inpatient service: See Appendix A.

Readmission Post Discharge from any Hospital

Description:

The percentage of Medicaid enrollees/members of all ages identified as having had an inpatient hospitalization within 30 days following discharge from any inpatient provider, one or more times in the past 13 months.
