

## **OMH-Licensed Clinic Providers & Medicaid Managed Care Plans**

### **Medicaid Managed Care Transition to Government Rates**

**UPDATE: August 31, 2012**

As many of you are already aware, the 3M APG Grouper Pricer has not yet been updated with the Managed Care government rates for Article 31 clinics in preparation for the September 1, 2012 implementation date. Both DOH and OMH have been in contact with 3M and have been assured that the pricer will be updated and available to the Plans no later than September 7, 2012.

This will NOT delay the implementation of Government Rates to a later date. Rather than delaying, we are asking that all Article 31 clinics hold their Medicaid managed care claims with dates of service of 9/1 or later until notified by OMH.

Once the APG grouper pricer is available for download, we will notify all Medicaid Managed Care Plans immediately. The Plans will have 2-3 days to have their systems in place before OMH notifies the clinics that claims can be submitted.

We apologize for this inconvenience and appreciate your patience. Please contact Gwen Diamond at 518-474-6911 or [gwen.diamond@omh.ny.gov](mailto:gwen.diamond@omh.ny.gov) if you have any questions. Thank you.

Sincerely,

Norman Brier, Director  
OMH Financial Planning
