AMERICAN FOUNDATION FOR
Suicide Prevention

You are not alone.

Join with a community of suicide loss survivors to find comfort and gain understanding as we share stories of healing and hope.

International Survivors of Suicide Loss Day is the one day a year when people who are affected by suicide loss gather around the world at events in their local communities for support, information, and empowerment.

This year's program includes a screening of *The Journey*, AFSP's new documentary that tells the stories of a diverse group of suicide loss survivors. Learn how they're weathering the suicide of a loved one, and how they are finding their way back to a life rich in meaning—and even joy.
