

## **New York State Medicaid Managed Care and Family Health Plus Pharmacy Benefit Information Website**

The NYS Department of Health has announced the release of the New York State Medicaid Managed Care and Family Health Plus Pharmacy Benefit Information Website, developed in partnership with the State University of New York at Stony Brook. This website is intended to provide easy access for members and providers looking for information on the drugs and supplies covered by different Medicaid and Family Health Plus managed care health plans. The site provides an interactive comparison of medication coverage searches. The Pharmacy Benefit Information Website is available at: <http://pbic.nysdoh.suny.edu>.
