

Notice of Public Hearing: OASAS-OMH Joint 5.07 Plan

OASAS Statewide Comprehensive Plan 2014-2018

OMH Statewide Comprehensive Plan 2014-2018

October 2nd from 2:00 to 4:00 pm

OASAS and OMH are conducting a joint public hearing on their statewide comprehensive plans. Both agencies will receive input for consideration in the development of their respective statewide comprehensive plans and ongoing planning initiatives. The Hearing is hosted by OASAS and OMH, and via videoconference among nine locations: Albany, Buffalo, Rochester, Syracuse, Binghamton, Ogdensburg, Manhattan, Staten Island, and West Brentwood.

Registration for any of the public hearing sites listed above is available at www.omh.ny.gov/omhweb/planning/507. Given the number of individuals expected to want to testify, OASAS and OMH request that all input be received in writing. Individuals interested in being considered to present oral testimony should check the appropriate box using the online registration system. Should time constraints not allow all who want to present oral testimony to do so, OASAS and OMH will review their submitted comments in detail.

Please note that space is limited at some hearing sites. You must register in advance to attend the hearing. Registrations will be available on a first-come, first-served basis. Due to these capacity constraints, organizations are respectfully asked to send one individual per organization to attend the hearing.

If you require any special accommodations to participate in the hearing, or have questions about the format, please contact Colleen Garrahan at Colleen.Garrahan@omh.ny.gov or 518-473-3570.
